

Set Pieces

7 v 7

Attacking Free Kicks

X6 (Midfield - Left footed) and X2 (Outside Back - Right footed) Show variety of routines (max 3) for shot on goal- Direct strike - foot on top strike, roll and strike

X6 and X2 decide what to play depending on direct or indirect, wall alignment, distance from goal, GK etc

X7 Plays on edge of wall and follows ball in, or lines up alongside X5 if not shooting direct

X5 Best at attacking ball

X4 Quick and smart defender

X3 Fastest defender

GK Edge of box - in case of long ball in attack

Attacking Corners

X6 (Midfield) passes to X7 (Forward), X7 attacks the goal, X6 overlaps

X6 and X7 decide when to play short or long corner based on defenders reaction

X5 Best attacker of ball and main target - level with near post on 6 yard box

X4 2nd Best attacker of ball in a curved position from X5 - middle of Goal - approx 8 yards out of goal

X2 Quick and smart player - can read game and situation

X3 Fastest Defender

GK Edge of box - in case of long ball in attack

Defending Corners

**X3 Full back on near post
G/K 2-3 yards off the line middle of goal**

X4 and X2 Best Defenders and able to attack ball in the air, on six yard box, (man to man defending)

X6 stops early corner, or underhit corner, combines with (X3 - near post fullback) if opposing team have 2 players looking to take short corner, and retreats to box when taken.

X5 and X6 (Midfield Players)

X7 (Forward) looks to combine with X5 and X2 to counter attack quickly and tracks run from opposing team full back

Defending Set Pieces (2 in wall)

GK Off line - edge of wall - in an area where he can see ball

X3 End of Wall - Full Back from that side of pitch

X4 Second in wall faces GK and post to line up wall

X2, X5 on line with penalty spot in regular positions (man to man defending)

X6 on edge of box (man to man defending).

X7 (Forward) looks to combine with X5 and X6 to counter attack.
