In attendance:

Ed Marco	Greg Wiedeman	Pat Lacey
Tom Longo	Bob Burd	Steve Roper
Monica Durfee	Donna Milius	Sue Chupein
John Welsh	Bill Bradley	

#### **Sue Chupein (Welsh Cup Tournament Director)**

- 58 teams registered as of today, 11 more than last year this time
- Sponsors are coming in, still need more
- Field planning underway. Suggested using Lynnewood instead of Old Manoa for parking availability.
- Food vendors, clothing, T-shirts, sweatshirts – all in the works and getting quotes
- Sign Up Genius to be issued soon for volunteers

#### **Monica Durfee (Registrar & IM):**

- IM will be closed in the next week
- O30 registration strong, 60 or 96 spots already registered. Games are on Sunday afternoon.

#### **John Whitaker (Fields):**

- Volunteers have responded to the call for field liners and corner flag duty, except for Reserve and Polo.
- Parking at Polo an issue. Need to send a notice or consider a change in fields for some ages.
- Dogs continue to be brought to fields.

#### **Bob Burd (Travel)**

- Good start to the season, very few team/parent issues
- HSC Academy #s are strong. Will look at additional scrimmage options versus neighboring clubs, plus entry into Welsh Cup.

#### **Steve Roper (Training)**

- U11-U14 turnout is light, however the younger age groups have been very strong.
- Team Management training was well attended.
- Coaching Training was not well attended. May look to offer something this winter as turnout is traditionally better then. And also to offer a 1 hour training session for U6-U8 coaches at the pre-season IM coaches meeting next time.
