

Set Pieces

9 v 9

Attacking Free Kicks

X6 (Midfield - Left footed) X7 (Midfield - Right footed) Show variety of routines (max 3) for shot on goal- Direct strike - foot on top strike, roll and strike

X6 and X7 decide what to play depending on direct or indirect, wall alignment, distance from goal, GK etc

X2 may be played in on overlapping run based on defenders reactions

X8 Plays on edge of wall and follows ball in, or lines up alongside X5 if not shooting direct

X5 Best at attacking ball

X9 Best finisher (forward).

X4 Quick and smart defender

X3 Fastest defender

GK Edge of box - in case of long ball in attack

Attacking Corners

X7 (Forward or Midfield) passes to X8 (Forward or Midfield), X8 attacks the goal, X7 overlaps

X7 and X8 decide when to play short or long corner or play to X2 based on defenders reaction

X9 attempts to impede goalie's vision and movement, looks to finish any loose balls within the 6 yard box

X5 Best attacker of ball and main target - level with near post on 6 yard box

X6 2nd Best attacker of ball in a curved position from X5 - middle of Goal - approx 8 yards out of goal

X2 Edge of box - ball side

X4 Quick and smart player - can read game and situation

X3 Fastest Defender

GK Edge of box - in case of long ball in attack

Defending Free Kicks (2 in wall)

GK Off line - edge of wall - in an area where he can see ball

X3 End of Wall - Full Back from that side of pitch

X4 Second in wall faces GK and post to line up wall

X2, X5 on line with penalty spot in regular positions (man to man defending)

X6 and X7 on edge of box (man to man defending).

X8 outside of box waiting to clear ball to X9 for counter attack.

X9 (Forward) looks to combine with X7 and X8 to counter attack.

Defending Corners

X3 Full back on near post

GK 2-3 yards off the line middle of goal

X4 and X2 Best Defenders and able to attack ball in the air, on six yard box, (man to man defending)

X6 stops early corner, or underhit corner, combines with (X3 - near post fullback) if opposing team have 2 players looking to take short corner, and retreats to box when taken.

X5 and X7 (Midfield Players)

X8 (Forward) looks to break up any short corner attempts and to counterattack with X9

X9 (Forward) looks to combine with X5 and X8 to counter attack quickly and tracks run from opposing team full back
