

Hello HSC Families

An email was sent out yesterday stating that our club has decided to shut down for the next two weeks. We wanted to let you know that this decision was not easy and was made after considerable consultation amongst the board members. HSC puts the safety and health of all its player and families above all else, and we feel it was the right thing to do. In the hours following our decision, we heard from our governing body (EPYSA) that they were suspending all soccer activities immediately and will re-evaluate the situation on April 1. We also heard from all Travel leagues that they were suspending all programs and games effective immediately until which time a re-evaluation can be made.

Having said that, all HSC programs including Futsal, Academy and Travel teams should suspend activities effective immediately. There will be no Futsal games or Travel Team practices until we feel it is safe to resume activities. The AGM scheduled for this week will be pushed back to later date. Intramural registration for Spring soccer and Travel registration for tryouts will still be open but the start of the season will be pushed back.

We will continue to monitor the situation and update you as needed. Please stay safe.

Thanks

HSC Board
